ALL INDIA COUNCIL FOR TECHNICAL EDUCATION

(भारत सरकार का एक विधिक संस्थान) (A STATUTORY BODY OF THE GOVERNMENT OF INDIA)

F. 148-BI-303(E)/E/95

Date : 13/06/98

Secretary,
Higher & Technical Education &
Government Department,
State of Maharashtra,
Mumbai - 400 032.

Re: AICTE approval to AMRAYATI UNIVERSITY, AMRAYATI for establishment of
DEPARTMENT OF CHEMICAL TECHNOLOGY,
AMRAYATI UNIVERSITY, AMRAYATI.

I am directed to state that on consideration of the observations made by the Expert Committee and the recommendations made by the Western Regional Committee, State Level Committee and Central Board of Secondary Education (CBSE) in their respective reports dated 31.12.97, the All India Council for Technical Education (AICTE) has accorded conditional approval to AMRAYATI UNIVERSITY, AMRAYATI for the establishment of DEPARTMENT OF CHEMICAL TECHNOLOGY, AMRAYATI UNIVERSITY, AMRAYATI, and to conduct following Degree course(s) in ENGG. & TECHNOLOGY with an annual intake mentioned against each for the session 1998-99.

Course(s)	Intake Level	Duration
Petro Chemical Technology	15 Degree	4 yr(s)
Pulp & Paper Technology	15 Degree	4 yr(s)
Oils & Paints Technology	15 Degree	4 yr(s)
Food Technology	15 Degree	4 yr(s)

Total - 60

This approval has been accorded subject to fulfillment of specific and general conditions as listed in Annexure I & II respectively alongwith the necessary instructions given to the various offices listed in this letter to whom the copies of this letter is forwarded. You are requested kindly to take further action.

Further in the event of infringement/contravention or non-compliance of the conditions prescribed by the AICTE by December 1998, the Council shall take further action to withdraw approval to these cases for admission during 1997-98 and the liability arising out of such withdrawal of approval will be solely that of Management/Trust/Society and/or Institutions.

You are requested to kindly monitor the progress made by these institutions for fulfillment of conditions laid down in this letter and keep the Western Regional Committee and AICTE informed.

Yours faithfully,

G.P. Srivastava
Adviser (ET)

Copy to :

1. The Regional Officer, All India Council for Technical Education, Western Regional Office, 2nd Floor, Industrial Assurance Building, Vir Nariman Road, Opposite Church Gate Station, Mumbai - 400 020.

He is requested to monitor compliance with conditions as laid down in this approval letter in consultation with the Directorate of Technical Education/State Government and keep the Western Regional Committee and the AICTE informed of the same.

2. The Director of Technical Education, Govt. of Maharashtra, 3, Mahapalika Marg, Mumbai - 400 001.
3. THE HEAD, DEAPRTMENT OF CHEMICAL TECHNOLOGY, AMRAVATI UNIVERSITY, AMRAVATI - 444 602.
4. THE REGISTRAR, DEAPRTMENT OF CHEMICAL TECHNOLOGY, AMRAVATI UNIVERSITY, AMRAVATI - 444 602.
5. SECRETARY, UNIVERSITY GRANTS COMMISSION, BAHADUR SHAH ZAFAR MARG, NEW DELHI - 110 002.
6. Guard File.

(S.S. Ghuman)
Assistant Director

DEPARTMENT OF CHEMICAL TECHNOLOGY, AMRAVATI

SPECIFIC CONDITIONS :

1. The facilities for conduct of first year classes including the class room, the laboratories and administrative arrangement be made available at the location earmarked before the commencement of the course.
2. The workshop facilities as may be necessary should be created for the first year of the courses before the commencement of the classes.
3. The library books and journal should be provided as per AICTE Norms.
4. The classrooms and drawing halls should be furnished before the commencement of the classes.
5. The infrastructural and physical facilities should be created for conduct of first year classes before commencement of the classes.
6. The required teaching faculty as per AICTE Norms including the Principal, the Head of Departments should be appointed before the commencement of the sessions.
7. Qualified faculty such as Professors, Assistant Professors Lecturers etc. as per the student:staff ratio prescribed by AICTE should be provided during the first year and subsequent years of the course.
8. The adequate initial expenditure should be incurred for providing the equipment for each course/subject as per Norms.
9. The institution shall incur adequate expenditure on the faculty salary and remuneration as per Norms during the first year and subsequent years.
10. The minimum essential staff should be appointed before the commencement of the college.
11. The institute should use the proposed area exclusively for the engineering institution.
12. The society/Trust will submit an undertaking in writing to fulfill the specific and general conditions mentioned in this approval letter by August, 1996.
13. The institution should comply with the recommendations made by the Expert Committee and/or the Re-committee/Task-Force within a prescribed time-limit.
14. The proposer should not have a court-case in respect of violation of one or more provisions of AICTE Act.

ALL INDIA COUNCIL FOR TECHNICAL EDUCATION

ANNEXURE II

No. F. 740-29-303(E)/47

General Conditions

1. No new course(s) shall be started or an ongoing course(s) shall be discontinued without the prior approval of the AICTE.
2. The intake capacity in any of the approved course(s) shall not be increased or varied without the prior approval of the AICTE.
3. Adequate funds shall be available with the Institution to meet the financial obligations of recurring and non-recurring nature as prescribed by the AICTE, from time to time.
4. All infrastructural, instructional and other facilities shall be provided as per the AICTE norms prescribed from time to time.
5. Teaching and other staff shall be selected according to the procedure, qualifications, experience and pay scales as prescribed by AICTE from time to time, and that they shall be paid full salaries and allowances regularly and in time.
6. The tuition and other fees shall be charged as prescribed by the State Government within the overall criteria/limits as may be laid down by the AICTE from time to time.
7. Admissions shall be made according to the regulations and directions of the AICTE for such admissions in the respective technical institution or university.
8. The State Government policies for admissions of SC/ST, other weaker sections of Society etc., shall be followed by the Institution.
9. Institution by virtue of the approval by AICTE shall not automatically become eligible to receive financial grants or assistance from the Central or State Governments.
10. Institution shall maintain records and books of accounts as prescribed by the Competent Authority.
11. The Accounts of the Institution shall be audited by Chartered Accountant or any agency authorised by the Competent Authority and shall be open for inspection by the AICTE or any body authorised by it.
12. The Institution shall be subject to a Special Audit and inspection as prescribed by the AICTE.
13. Institution shall furnish requisite returns as prescribed by Competent Authority/AICTE for ensuring maintenance of standards.
14. The Institution may be visited by an officer or a Committee of the AICTE or of its Regional Office from time to time to review the progress made by the Institution in fulfilling the conditions as laid down by the AICTE.

Additional Conditions for Pvt. and Grant-in-Aid technical institutions :

15. The Governing Body of the institution shall be constituted, and its Chairman shall be appointed as per the guidelines of AICTE.
16. The institution shall not charge any Capitation Fee or donation for admission or other higher charges from the students/guardians of the students in any form.
17. The Institution shall constitute a Planning and Monitoring Board (PMB) for the continuous monitoring of implementation of norms and standards of the AICTE. There shall be an evaluation of the Institution in a plan period by the AICTE.
18. The institution should create an Endowment fund jointly in the name of the institution and the concerned State Authority to the tune of 30% of the projected peak annual recurring expenditure or as prescribed by the State Govt./UT or Rs. 10 lakhs, whichever is more.

To,
The Secretary (Education)
Govt. of Maharashtra
Mantralaya,
Mumbai,
Maharashtra.

Ref. No Date / ... / 19

No. : AU/7/52/519/96.

Date: 10-07-1996.

Sir,

Sub:- Proposal for introduction of B.Tech(Chemical Technology) course in place of existing M.Sc.(Tech) course submitted to Government of Maharashtra for approval under section 8 of Maharashtra University Act of 1994.

01. This is to inform you that Govt. of Maharashtra has started the Department of Chemical Technology in Amravati University as per GR No. USG/1693/2274/UE-1, dated 13 June 1994 to create technical man power and infrastructure to support industrial development of the region. A combined grant of Rs.310.0 lacs has been sanctioned for Department of Chemical Technology and Biotechnology for building, equipments and staff. Two installments amounting to Rs.181 lacs have been received from the Govt. of till now. Additional grant of Rs.24 lacs has been sanctioned by the Government for Department of Chemical Technology for equipments.
02. University has started M.Sc.(Tech.) in Chemical Technology from 1994-95 with four specialisations- Petrochemical, Food, Pulp & Paper and Oils & Paints Technologies. This is a three years course after B.Sc. The Departmental building & workshop/pilot plant with built up areas of 3335m² and 2475 m² respectively are under construction. The laboratories for 4 technologies have been equipped with equipments worth Rs.24.0 lacs till date. Library books and journals worth Rs.2.0 lac have been purchased. There are 7 teaching and 10 non teaching posts sanctioned by the Govt. for the Departments.
03. In accordance with the provision of AICTE act, a proposal was submitted to AICTE for approval to M.Sc.(Tech.) course. AICTE vide it's letter No.F-441/MS-68/E & T(PG)/92, dated April 9, 1996 has communicated that it does not approve the proposal of the University as (1) Proposal does not come under the category of ME/M.Tech./M.Sc.(Engg.)/M.Arch./MCP/MRP/M.Pharmacy, etc. and (2) AICTE does not approve M.Sc. Programme with specialisation in Engg. and Technology having B.Sc.as entry qualification.

CT/11/2
10/7/96.

Ref. No. Date / / 19

04. In view of the above facts, it was felt expedient to switch over to courses which would be approved by AICTE. A proposal was submitted to AICTE keeping in view the infrastructure created by the Department. The proposal was submitted for introduction of B.Tech. (Chemical Technology) course in four specialisations (Petrochemical, Food, Oils & Paint, Pulp and Paper technologies) in place of the existing M.Sc.(Tech.) course. The entry qualification for B.Tech. course would be 12th standard.

AICTE vide it's letter No.F-740/89/303/E/ET/95, dated 13-6-96 has accorded approval to the Amravati University for conduct of four years degree course in 1) Petrochemical Technology, 2)Pulp and Paper Technology, 3)Food Technology, 4) Oils and Paints Technology with intake capacity of 15 each, totaling to 60.

05. The introduction of these courses in the University Department would require some additional infrastructure, equipments, furniture and teaching & Non-teaching staff in addition to the already sanctioned once by the Govt.. The details of available facilities and additional requirements are given in the proposal attached herewith.

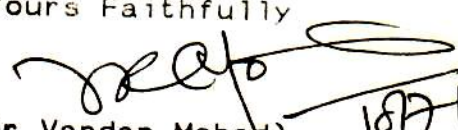

06. The proposal is placed before the Management Council of the University in it's meeting on 5th July 1996 for its consideration. The Management Council resolved vide its item No.148 dated 5th/6th July that the course should be started after obtaining approval from Govt. for staff as envisaged u/s 8(1) (a) of Maharashtra University Act 1994.

07. Since the Department of Chemical Technology has been started by the Govt. with financial support for its development, it is required to approve the additional financial support. Since the approved course has to be started from the academic session of 1996-97, it is requested to accord the sanction on most urgent basis.

* A summary extract of financial implications of proposal is enclosed herewith for your ready reference.

Thanking you.

Yours Faithfully

(Dr. Vandan Mohod)
Registrar,

Amravati University, Amravati.

- GOVERNMENT OF MAHARASHTRA -

No. UAG 1096/5373/UNI-1

Higher & Technical Education and
Employment Department,
Mantralaya Annexe, Mumbai-400 032,

Dated the 21st August, 1996.

To

The Registrar,
Amravati University,
AMRAVATI-444 602

Subject:- Starting of B.Tech. Courses in the
Department of Chemical Technology
in place of M.Sc.(Tech.) courses
from 1996-97.

Sir,

Kindly refer to Government Resolution No. USG/1693/(2274)/UE-1, dated 13th June, 1994, granting permission to start Departments of Chemical Technology and Bio-Technology in Amravati University along with a grant of Rs.310 lacs for building, equipment and staff (14 teaching and 20 non-teaching).

It is understood that a three-year M.Sc.(Tech.) course after B.Sc. in four specialisations, i.e. Petro-chemical, Food, Pulp and Paper and Oil and Paints Technologies have been started from 1994-95 in the Department of Chemical Technology. As per the AICTE norms, AICTE does not approve M.Sc. course in engineering and Technology with entry qualification as B.Sc., Vide letter from AICTE No. F 740-89-303(E)/ET/95, dated 13.6.1996, a permission is granted by the AICTE to start B.Tech. courses after 12th standard in the above-mentioned four technologies. In response to this, Government has issued the Govt. Resolution No. DEC-3396/(7479)TE-1, dated 20th July, 1996, for starting B.Tech. courses and accordingly, the Director of Technical Education has completed the admission for 1st year B.Tech. courses at different regional admission centres. The proposal submitted by the University for additional staff is under active consideration of the Government and is likely to be approved soon. Such assurance has already been communicated to the University, vide letter No. UAG 1096/5373/UNI-1, dated 7th August, 1996.

P.T.O.

Meanwhile, using existing facilities and staff of Department of Chemical Technology, B.Tech. course may be started in place of M.Sc.(Tech.) course immediately from 1996-97 so that the students already admitted in Ist Year B.Tech. do not suffer.

In view of the position stated above, you are requested not to admit any fresh students in the Ist Year M.Sc.(Tech.) course from the current academic year (1996-97).

Yours faithfully,

T.B. Sen

(T.B. SEN)

Deputy Secretary to Government.
