### Highlights

- Many of the students (55) qualified national level test such as NET/SET/GATE.
- 43 candidates have been awarded PhD Degree.
- Department is well equipped with instrumentation facility.
- Several students are working in various chemical and Pharma industries and research institutes.
- Highly qualified faculty members and many of them have been honored with international and national fellowship.
- Faculty members are actively involved in research and guiding students for their Ph.D. degree in various branches of chemistry.
- Faculty members have published their research work in different national and international peer reviewed journals.
- Regular merit position in the university examination.
- Co-curricular and Extra-curricular activities for individual development.
- Faculty members also contributing to various academic activities at state and national levels.
- Research Projects completed : 04
- PG Students are encouraged by giving special coaching for NET / SET/ GATE
- Research skills development through practical training.
- Department organized Conferences/ Seminars / Workshops in the area of chemical sciences.
- WI-FI Facility with access to scientific journals.
- The teaching is imparted through latest audio-visual aids, software for classroom and laboratories.
- Special attention towards academically poor students through Remedial Coaching.

### Highlights

- UGC sanctioned grant of Rs. 42.84 Lakhs (one Reader post) for P.G. Diploma in Watershed Technology and Management under the Innovative Programme and the Maharashtra Government has given concurrence to the teaching post.
- Nine Major Research Projects sanctioned by DST, UGC, ICAR, CSIR and three Minor Research projects by UGC were successfully completed by Dr. S.F.R. Khadri, Dr. A.K. Shrivastava and one major research project of UGC under Dr. A.K. Srivastava is in progress.
- Dr. S.F.R. Khadri was awarded "**Utkrushtha Seva Gaurav Puraskar**" by the Amravati University.
- Collaborative International Research Programmes of Dr. Khadri with Institute of Physique De Globe De Paris, France, Museum Natural D'Histoire Naturelle, Paris and Royal Holloway University of London, UK; University of Ulster, Northern Ireland, UK; Princeton University, USA; Massachusetts Institute of Technology, Cambridge, USA & University of Lausanne, Switzerland are in good progress.
- Palaeomagnetic Laboratory in collaboration with IIT, Mumbai and TIFR, Mumbai is established at the Department

- Ph.D. awarded: 14, NET/SET passed students – 05
- Infrastructure facility includes palaeomagnetic, petro-chemical, sedimentological, hydrological, remote sensing and GIS labs including AAS, Carl-Zeiss Polarizing Microscope, Molspin Spinner Magnetometer, ore microscopy, Sartorius water purification system.
- Dr. Khadri was invited as “**Invited Researcher**” to carry out post doctoral research work at Palaeomagnetic Laboratory, IGP, University of Paris, France for 2 months in 2007. In addition, Dr. Khadri has successfully completed British Council Fellowship for undergoing advanced training in analytical Geochemistry using ICP and AAS techniques at King’s College, University of London, UK; Commonwealth Academic Staff Fellowship for Postdoctoral research for one year at Royal Holloway University of London, UK and another Postdoctoral Fellowship at Royal Holloway University of London, UK.
- Dr. S.F.R. Khadri, Professor and Head, Department of Geology, Sant Gadge Baba Amravati University, Amravati under the international research collaboration with Professor Gerta Keller and Dr. Blair Schoene from the Department of Geosciences at Princeton University, USA, Professor Samuel Bowring from Massachusetts Institute of Technology, USA and Professor Thierry Adatte from Lausanne University, Switzerland has recently published their research findings in the International journal "**Science**" with **five year Impact factor of 34.40** on 9 January 2015: Vol. 347 no. 6218 pp. 182-184, along with 33 pages additional supplementary material published by Science, DOI:10.1126/science.aaa0118. This research was funded in part by the National Science Foundation, USA.
- Excellent employment opportunities are available for M.Sc. Geology and P.G. Diploma in Watershed Technology and Management courses offered by the department as many students are getting regular employment in GSI, CGWB, AMD, ONGC, MECL, GSDA, Various Multinational Companies. In addition, the department regularly organizes Campus Interviews with multinational companies such as Ochre drillers, Thane, Renuka Engineers, Thane and Aditi Info Tech, Nagpur etc. where most of the students get employment.
