Highlights:

- Newly constructed Building of carpet area 47260 SQFT with all facilities.
- This department has excellent learning resources including well equipped laboratories.
- Seminar presentation, Review writing and project/dissertation training is our specialty.
- Department is actively involved in the research in frontline areas. Faculty publishes articles in journals having very high standard which is indexed in SCOPUS (238 papers with 1660 citations) and Thomson and Reuters.
- Students from this departments are placed in national labs and reputed institutions.
- Dr. S. A. Waghuley Received “Utkrusta Sewa Gaurav Puraskar” May-2017 under University Teachers from SGBAU, Amravati
- Dr. S. K. Omanwar received “Fellow of Maharashtra Academy of Science” October 2016, NCL, Pune and “Dr. B. T. Deshmukh Best Researcher Award” February-2016, LSI, India

Research areas:

Luminescence and its applications, Lasers and its applications, Non Linear optical (NLO) crystals/materials and applications. Optical Biosensors, Gas sensors, conducting gases, conducting polymers, Quantum dots, acoustical properties of liquid mixtures, nano-composites, thin films, NLO properties of nano-particles etc.

Students Performance:NET/SET etc qualified students:39

- Merit students : 18 till date
- Gold Medalists :3
- Ph.D. Awarded :44
- Patent filed : 02
- Patent in process : 05

Important Activities:

- i) Silver Jubilee Alumni Celebrations-25 March 2017
- ii) National Conference on “Lasers and Advanced Materials”(29 to 30 May, 2012)
- iii) Luminescence and its Applications (7 to 9 February, 2006)
- iv) Lasers and their Applications (28 to 30 January, 2004)
- v) National Workshop on Structural & Electrical Characterization of Materials. (1998)
- vi) One orientation program, One short term course and one refresher course in association with HRC, SGBAU, Amravati.

Projects ongoing:

- ICMR, New Delhi, Short-Listed ID 2014-2778 Dr. S. K. Omanwar PI Total Outlay Rs. 46.348 Lakh

- RGSTC Research project for the period 2017-2020 to Dr. Anita Patil (PI), Dr. G.G. Muley (Co-PI), H. Paikrao (Co-PI). Total outlay Rs. 34.76 Lakh
- BRNS, DAE, Govt. of India 2016-2018 Dr. S. K. Omanwar Mentor & Dr. G. V. Korpe PI Total outlay Rs. 27.43 Lakh
- DST-SERB EEOES Research Project funded to Dr. G. G. Muley for the period 2013-2017 Total outlay Rs. 30.00 Lakh

Projects completed:

- DST-SERB Fast Track Research Project funded to Dr. G. G. Muley for the period 2013-2016 (Total outlay Rs. 16.536 Lakh)
- Department is sponsored by DST-FIST 2010-2015 (Outlay: Rs. 36.00 Lakh)
- UGC-MRP funded to Dr. G.G. Muley for period 2012-2015. Outlay Rs. 9.583 Lakh
- DRDO research project funded to Dr. G.G. Muley for the period 2011-2014 (Outlay Rs. 21,01,341/-)
- DAE-AERB funded MRP to Dr. S. K. Omanwar (Outlay Rs. 18.,55 Lakh)
- UGC funded MRP to Dr. S.K. Omanwar for the period 2010-13 (Outlay Rs 10.173 Lakh)
- UGC Funded Minor Research project to Dr.S.A.Waghuley for the period 2010-12 (Outlay Rs. 1.55 Lakh)
- UGC Innovative program *P.G. Diploma in Photonics* (Approved 2013-18) **Returned.**
- DRDO funded MRP to Dr. B.H. Pawar and Dr. G.G. Muley. **Returned.**

Highlights

- Many of the students (55) qualified national level test such as NET/SET/GATE.
- 43 candidates have been awarded PhD Degree.
- Department is well equipped with instrumentation facility.
- Several students are working in various chemical and Pharma industries and research institutes.
- Highly qualified faculty members and many of them have been honored with international and national fellowship.

- Faculty members are actively involved in research and guiding students for their Ph.D. degree in various branches of chemistry.
- Faculty members have published their research work in different national and international peer reviewed journals.
- Regular merit position in the university examination.
- Co-curricular and Extra-curricular activities for individual development.
- Faculty members also contributing to various academic activities at state and national levels.
- Research Projects completed : 04
- PG Students are encouraged by giving special coaching for NET / SET/ GATE
- Research skills development through practical training.
- Department organized Conferences/ Seminars / Workshops in the area of chemical sciences.
- WI-FI Facility with access to scientific journals.
- The teaching is imparted through latest audio-visual aids, software for classroom and laboratories.
- Special attention towards academically poor students through Remedial Coaching.

Highlights

- UGC sanctioned grant of Rs. 42.84 Lakhs (one Reader post) for P.G. Diploma in Watershed Technology and Management under the Innovative Programme and the Maharashtra Government has given concurrence to the teaching post.
- Nine Major Research Projects sanctioned by DST, UGC, ICAR, CSIR and three Minor Research projects by UGC were successfully completed by Dr. S.F.R. Khadri, Dr. A.K. Shrivastava and one major research project of UGC under Dr. A.K. Srivastava is in progress.
- Dr. S.F.R. Khadri was awarded "**Utkrushtha Seva Gaurav Puraskar**" by the Sant Gadge Baba Amravati University.
- Collaborative International Research Programmes of Dr. Khadri with Institute of Physique De Globe De Paris, France, Museum Natural D'Histoire Naturelle, Paris and Royal Holloway University of London, UK; University of Ulster, Northern Ireland, UK; Princeton University, USA; Massachusetts Institute of Technology, Cambridge, USA & University of Lausanne, Switzerland are in good progress.
- Palaeomagnetic Laboratory in collaboration with IIT, Mumbai and TIFR, Mumbai is established at the Department
- Ph.D. awarded: 14, NET/SET passed students – 05
- Infrastructure facility includes palaeomagnetic, petro-chemical, sedimentological, hydrological, remote sensing and GIS labs including AAS, Carl-Zeiss Polarizing Microscope, Molspin Spinner Magnetometer, ore microscopy, Sartorius water purification system.
- Dr. Khadri was invited as "**Invited Researcher**" to carry out post doctoral research work at Palaeomagnetic Laboratory, IGP, University of Paris, France for 2 months in 2007. In addition, Dr. Khadri has successfully completed British Council Fellowship for undergoing advanced training in analytical Geochemistry using ICP and AAS techniques at King's College, University of London, UK; Commonwealth Academic Staff Fellowship for Postdoctoral research for one year at Royal Holloway University of London, UK and another Postdoctoral Fellowship at Royal Holloway University of London, UK.
- Dr. S.F.R. Khadri, Professor and Head, Department of Geology, Sant Gadge Baba Amravati University, Amravati under the international research collaboration with Professor Gerta Keller and Dr. Blair Schoene from the Department of Geosciences at Princeton University, USA, Professor Samuel Bowring from Massachusetts Institute of Technology, USA and Professor Thierry Adate from Lausanne University, Switzerland has recently published

their research findings in the International journal "**Science**" with **five year Impact factor of 34.40** on 9 January 2015: Vol. 347 no. 6218 pp. 182-184, along with 33 pages additional supplementary material published by Science, DOI:10.1126/science.aaa0118. This research was funded in part by the National Science Foundation, USA.

- Excellent employment opportunities are available for M.Sc. Geology and P.G. Diploma in Watershed Technology and Management courses offered by the department as many students are getting regular employment in GSI, CGWB, AMD, ONGC, MECL, GSDA, Various Multinational Companies. In addition, the department regularly organizes Campus Interviews with multinational companies such as Ochre drillers, Thane, Renuka Engineers, Thane and Aditi Info Tech, Nagpur etc. where most of the students get employment.
