Subject: Circular of Inter-Collegiate Students Research Convention "AVISHKAR- 2019".

Dear Sir/Madam,

Academics in the 21st Century is at a crossroads of knowledge and research. There is a tremendous desire to unveil the unknown and unexplored areas of knowledge in all fields of academic enquiry. Due to the tremendous interdisciplinary approach no discipline goes untouched from the research activity. The genesis of 'Avishkar- A State level Students Research Convention' lies in the success of Sports meet "Ashwamedh" and Inter-University Cultural Festival "Indradhanushya" which provide opportunity for all round development of personality of students. His Excellency, Dr. S. M. Krishna, the then Chancellor mooted the concept of providing a platform/opportunity for expression of research talent among the students. It is for inculcating research culture, to encourage original thinking among students and provide an opportunity for expression of academic talent. This will also help to promote interaction among academia, R&D Institutes and Industries. Such type of activity is essential in the era of intellectual property rights with the implementation of WTO-GATS and patenting of research. To make the country competent and competitive, promoting research activities at the right age is the only solution.

This activity, unique in its nature will help to develop skill to review new dimensions of explored areas of knowledge as well as the unexplored areas of enquiry. Sant Gadge Baba Amravati University has established the Avishkar Cell to promote research and innovation amongst students and teachers, to reach to the objectives set by AVISHKAR. The Avishkar cell has taken special efforts to increase the participation of the desirous and deserving students from rural and urban areas. The cell also put in strength efforts to organize regional competitions and to provide special training to these students towards guiding them to enhance their abilities to showcase their research model work in an effective manner. This activity has generated a lot of scientific temperament in research and innovation amongst students and the participation is ever increasing.

It is our pleasure to share with you that Sant Gadge Baba Amravati University contingent of 35 students at the UG, PG, Post PG (PPG) and Teachers pursuing M.Phil, Ph.D had participated at 13th Maharashtra State Inter-University Research convention -Avishkar hosted by Gondwana University during January 15-18, 2019, wherein our University secured the first prize in the category Medicine and Pharmacy (PPG) while at National level student research convention ANVESHAN-18 under the aegis of AIU, New Delhi hosted by Ganpat University, Mehsana (Gujarat) won second and third prizes respectively during the Academic year 2018-19.

Sant Gadge Baba Amravati University has a long tradition of 36 years with almost 382 affiliated Colleges and over 5 lakh students studying in the various departments, institutions and affiliated colleges. It is the collective responsibility of all of us to sensitize the students and build confidence among them to venture into research and imbibe in them, the spirit of healthy competition. The event Avishkar will certainly fulfil the challenges of developing research attitude in the youth and teachers, thus will prove the theme of Avishkar - **Create, Sustain and Prosper.**

There is a total flexibility of participation without any restriction on cross faculty participation. You can participate in any category just relate your topics accordingly. Avishkar involves all disciplines and grouped them into six categories as listed below:

1. Humanities, Languages, Fine Arts etc. (HLF)
2. Commerce, Management, Law etc. (CML)
3. Pure Sciences (PS)
4. Agriculture and Animal Husbandry (AAH)
5. Medicine and Pharmacy (MP) and
6. Engineering and Technology (ET)

Students of UG, PG, PPG and Teachers (TH) (Teachers pursuing M.Phil/Ph.D from SGBAU, Amravati & Registered only) can participate. Student from any level /discipline can participate under any of the above six disciplines.

- At the college level multiple entries can be accommodated.
- However, while participating at the Qualifying/Preliminary round only 40 entries per college are permissible.
- Also the Maharashtra University of Health Sciences, Nashik from last three years onwards begun participation with the National Convention on “Inclusive Innovations”. Hence, the participant can also enrol for the same.
- For details, please visit the website: www.inclusiveinnovation.in.

1. Every college is entrusted with the responsibility to organize its own research convention at the college level **in all first five categories whereas competition for engineering & Technology** category will be held directly at University level as per the University norms. The Principal/Director / shall be the convener and Teacher In -charge will be the co-convener of the Avishkar Convention. One Teacher **co-ordinator** be designated for this activity to undertake the responsibilities of creating the research culture in the college and his name be forwarded/ mailed to respective District coordinator as well as to the Avishkar Cell, SantGadge Baba Amravati University.

For the purpose of judging the research projects, the college should invite experts from other colleges and institution and shortlist two entries in each category irrespective of their levels (UG/PG / PPG/TH(M.Phil-Ph.D.) (maximum 40 best projects) for the purpose of participation for Avishkar at the District /University preliminary round.

Those colleges who do not conduct Avishkar activities at the college level, the University shall reserve its right to restrict their participation in the University/state level Research convention.

Following the Inter-Collegiate research convention (preliminary/Qualifying round) the selected entries shall compete at the final round of the research convention at University level. From every level only two from each level of six theme areas total 48 winners will represent University at the state level Avishkar.

2. Each college/institution is expected to send a maximum of two entries in each category (40 entries maximum after the college level Avishkar) from Under Graduate (UG), Post Graduate (PG) and Post PG, and teachers pursuing their research (Ph.D.) in all above five categories to the District Coordinator as given in the time table.

All UG / PG / Ph D/ Teachers categories **from University departments and Engineering & Technology** category should send their entries directly to the University Coordinator, **Dr.A.S.Aswar, Coordinator**, Avishkar Cell, SantGadge Baba Amravati University on or before **10/01/2020**. The upper Age limit for UG & PG candidates are **25 and 30** years respectively while for Teachers there is no age barring but they should be approved & full time teachers.

3. All participants should prepare their poster/model based on their own work/innovation (Maximum two participants are allowed per poster). Category wise entries and soft copy of the project should be mailed to the Coordinator, Avishkar Cell, SantGadge Baba Amravati University on E-mail ID: coordinatoravishkar@sgbau.ac.in at least three days before the respective districts/ university final level rounds, mentioning the following:

- a. Title and abstract of the project: (100 Words compulsorily be submitted during registration)
 - b. Name of the participant: (Each participant should produce identity card duly signed by competent authority).
 - c. Their level UG / PG / Ph D (Registration No. with date)/ Teachers pursuing M.Phil/Ph.D.
4. The research project to be presented should be in the form of a poster (with / without a model) and an oral presentation (power point, soft copy to be mailed to the Dr.A.S.Aswar, Coordinator, Avishkar Cell and Prof. &Head,Department of Chemistry, SGB Amravati University,Amravati.(Email ID: coordinatoravishkar@sgbau.ac.in ;Fax-0721-2662135).
 - 5.Each oral presentation will be given 8 minutes and 2 minutes for question and answers.
 6. The poster should be of **1meter x 1meter** in size and **Name of the College / Department / Institute or Student should NOTbe inscribed on the poster / oral presentation** (Annexure – A).Model space of 1mx1m along with electric or water supply, if required will be provided for assembling the working / static model.However, participants have to specify the requirements inthe entry form which are essential for their model presentation.
 7. The entry should reach the respective centres for the district level competition at least three days prior to the commencement of competitions. (Annexure – B) [One copy to be mailed on above email address].
 8. The judging of the posters/ oral presentation at the District/University level would be done by the panel of eminent judges appointed by the University/District coordinators.
 9. The participants of the selected projects will have to remain present along with their posters (**1meter x 1meter, Flex**) and or models and oral presentations at Sant Gadge Baba Amravati, Amravati. Entry form may be downloaded from the University website www.sgbau.ac.in
 10. Attractive Prizes (First) and (Second), Certificates and Mementoeswill be awardedto winners of each level at District and University levelscompetition. Certificate of participation will be awarded to all the participants.
 11. Orientation cum guidanceworkshops will be organised for the benefit of the students and teachers. The schedule for the same will be provided on the website of the University www.sgbau.ac.in

May we request you to take initiative and send your selected students with their research projects for participating in the District/University level research convention. Your initiation, involvement, participation & guidance will certainly help the university to make this research Convention a grand success.

UNIVERSITY LEVEL STUDENTS RESEARCH CONVENTION

“AVISHKAR – 2019”

Important Instructions for participants

The shortlisted candidates from STAGE-I (District Level) will have to submit their projects along with research papers and CD's to the Convener for their evaluation by subject experts and final selection of University team.

The selected team at STAGE-II will be entitled to present their projects at Inter-University (STATE) Research Competition AVISHKAR -19 to be held **during January 28-31, 2020.**

An orientation cum guidance workshop of the selected candidates for STAGE-III will be organized on 18th January 2020 to prepare the candidate for presentations at STAGE -III (State) level. At stage III level only one candidate/entry will participate.

PROGRAMME FOR STAGE -II

Day-1: Tuesday 14th January 2020

Poster/Model display of research projects in the form of exhibition to be judged at elimination round by at least 3 eminent experts, in each category, who are acclaimed researchers in the respective disciplines which they are judging. The final selection of the projects is based on the cumulative weightage given all the criteria such as Scientific thoughts and principles, creativity, Thoroughness, skill, relevance, cost effectiveness, team work etc. The decision of judges will be final.

Venue: Vidyarthi Bhavan, Sant Gadge Baba Amravati University, Amravati

Day-2: Wednesday 15th January 2020

Oral presentation strictly by the participant/s of the selected/short listed research projects in each category which will normally be in the 8 minutes for presentation and 2 minutes for question and answers and not more than 10 minutes in any case in each of the 24 categories.

General Instructions:

- The entries must be forwarded through principal/Head of the institution.
- Registration is compulsory for all participants. There will be no registration fee
- LCD facility will be provided.
- Exhibits will be displayed on **14th January 2020 from 8.30 am** onwards.
- Participants will be allowed to exhibit only after the confirmation of their college /institute identity card.
- Participants should carry required to carry their own extension board etc.
- The shortlisted participants will have to make oral presentation of their research projects. So each team should come prepared for oral power point presentation of not more than 8 min duration which will be followed by questions and answers for 2 minutes.
- Size of exhibit (Poster or Model) should not exceed **1mx1m and there should not be any identification on exhibit/Flex.**
- The decision of subject experts/judges will be final and binding all participants.
- All winning teams will be informed about their selection on the same day.
- Attractive Prizes-(First and Second), Certificates and Mementoes will be awarded to Winners of each level at University level competition.
- Certificate of participation will be awarded to all the participants.
