PART- ONE

(EXTRA-ORDINARY)

Wednesday, the 28th September, 2022

DIRECTION

No. 69 /2022

Date : 28 / 09 /2022

Subject : Procedure and Norms for grant of Recognition to Private Skills Education Providers and approval to the courses of the Training Centers u/s 112 of Maharashtra Public Universities Act, 2016 - Direction-2022

Whereas, Section 5(5) of Maharashtra Public Universities Act 2016 prescribes Powers and Duties of the University to develop Procedure and Process for Recognition to Private Skills Education Providers and Section 112 of the Act, has prescribed the Procedure and schedule for grant of recognition,

AND

Whereas, Section 33(1)(o) of the Act 2016 provides Powers and Duties of the Academic Council to accord recognition to various Certificate, Diploma, advance Diploma and degrees programmes run by the Private Skills Education Providers in consonance with the Norms of University Grants Commission and the State Government, as prescribed from time to time.

AND

Whereas, as per Section 112(11) of the Act, the said Provider has to conduct assessment, declare results, recommend to the University for award of Certificate, Diploma, advance Diploma, Degrees. The matter is related to the Ordinance, prescribing Norms therefor by the Academic Council and Management Council,

AND

Whereas, the Board of Deans, in its meeting held on dated 14.7.2020 vide Item No.52 has prepared and recommended the Norms to the Academic Council, to be prescribed in the form of Ordinance.

AND

Whereas, the matter was to be implemented immediately as the last day of September was ahead, the Vice-Chancellor approved the Procedures and Norms u/s 12(7) of the Act, on 22.09.2020 on behalf of Academic Council and the Management Council, so as to issue Direction u/s 12(8) of the Act, as the process of prescribing the Ordinance is time-taking. These actions have been approved by these authorities later on as per Section 12(7) of the Act.

AND

Whereas, matter of prescribing the Ordinance is under process and further processing of applications received, or to be continued. As per Section 12(8) of the Act, the Direction so issued lapses, after a period of 6 months in case the Statute, Ordinance or Regulation is not recent prescribed. Therefore, the Direction No. 14/2020, Direction No.30/2021 Dated 10/6/2021 and now Direction NO.4/2022, dt. 7th Jan. 2022 are lapsed, hence, the fresh Direction is to be issued u/s 12(8) of the Act.

AND

Whereas, as per Section 112(1) of Maharashtra Public Universities Act, 2016, the last date for Submission of application is before last day of month of September every year.

Therefore, I, Dr. Dileep Malkhede, Vice-Chancellor of Sant Gadge Baba Amravati University, in exercise of powers vested in me vide Sub-Section (8) of Section-12 of Maharashtra Public Universities Act, 2016 hereby issue the following Direction.

This Direction may be called “Norms for grant of Recognition to Private Skills Education Providers and approval to the courses of the Training Centers u/s 112 of Maharashtra Public Universities Act, 2016- Direction-2022”.

1. This Direction shall come into force with effect from the date of its issuance.
2. The Procedure and Norms for grant of recognition to Private Skill Education Providers u/s 112 of Maharashtra Public Universities Act, 2016, shall be as per Appendix appended to this Direction.
3. The earlier Directions vide No.14/2020, No.30/2021 were already lapsed and recent Direction No.4/2022 stand lapsed after expiry of six months.

Preamble

1. Skills and knowledge are the motivating forces of the financial growth and economic development of any country, and India is no exception.
2. As India moves progressively towards becoming a global knowledge economy, it must meet the aspirations of youth and aim towards skilling them with the best possible standards. The skill development of the working age population is currently one of the top priorities for the country. This is evident by the progress India has made in recent years in this sector.
3. The Maharashtra Public University Act 2016 has recognized the need of skill education and made provisions in, Section 5 (5) for recognition of private skills education providers read with Section-2(53), It is necessary to prescribe Conditions and to develop the procedure and process for the same, with reference to Section-112 of the Act.

Objectives

- 1) To provide an umbrella for all the skilling activities being carried out by private skill providers within the University area, thereby providing quality benchmarks in the concept, establishment and running of the various skilling initiatives.
- 2) To align various skill development programs to standardized norms and processes.
- 3) To monitor compliance to standards and norms by all training centers in an objective manner.
- 4) To increase the capacity and capability of the existing system in order to ensure equitable access.
- 5) To foster excellence in training centers ensuring effective and competency based training.
- 6) To enable trainees and other stakeholders to make informed choices with regard to training centre selection, upgrade skills through significant industry involvement and develop necessary frameworks for standards, curriculum and quality assurance.
- 7) Enhance, support and coordinate private sector initiatives for skill development.
- 8) Skill Education passing shall be the additional Credit for those who are already possessing Bachelor or Master's Degree of the University or other Statutory University.

(1) Definitions

- a) **Cluster:** A cluster typically comprises of 5-6 co-located centers of the same service provider.
- b) **Internship or on the job training:** Industry Internship or on the job training (OJT) will serve the same purpose.
- c) **Placement:** Employment or self employment of the trainee.
- d) **Training Provider (TP)/Service Provider (SP):** Any entity so recognized by Central or State Government/Statutory authorities or councils/sector skill councils or any other legal body.

- e) **Training Centre (TC):** An entity registered and created by a TP / SP to conduct training under various NSQF aligned job or identified skills in accordance with the guidelines laid down by the SSC or University. Training Centre is also the proposed Infrastructure to be setup, which should meet either of the following descriptions:
- i. Infrastructure that meets the minimum space requirements, as per applicable category of skill, and can be suitably modified to comply with the changes in the norm.
 - ii. Expansion of existing building/infrastructure to meet the minimum space requirements and comply with infrastructure guidelines.
 - iii. Prefabricated construction, either in its entirety on unconstructed land or partial addition to an existing permanent constructed area to meet the minimum space requirements and the infrastructure guidelines.
- f) **Trainer:** It means someone who trains, instructs, teaches or otherwise enables the learner(s) to acquire the appropriate knowledge and skills.
- g) **Skills:** Skill means the ability to apply knowledge and use know-how to complete tasks and solve problems. Skills are described as cognitive (involving the use of logical, intuitive and creative thinking) or practical (involving manual dexterity and the use of methods, materials, tools and instruments).
- h) **Skills Programme:** It is occupationally based and when completed will constitute credits towards a qualification registered on the NQF or when completed will qualify for certification by the Sant Gadge Baba Amravati University, Amravati. A skills programme is a type of short learning programme.
- i) **Sector:** A sector means a grouping of professional activities on the basis of their main economic function, product, service or technology.
- j) **Sector Skill Councils (SSCs):** SSCs are industry-led bodies defining the skilling needs, concept, processes, certification, and accreditation standards of their respective industry sectors. The accreditation standards are a set of practices and concepts laid down by the SSCs pertaining to each job role, that provide guidance to the TCs on all relevant aspects of skilling. The SSCs prescribe the National Occupation Standards (NOS) and Qualification Pack (QP) for the job roles relevant to their industry and ensure that these are in accordance with the National Skill Qualification Framework (NSQF).
- k) **Programme:** It means a coherent set of courses, leading to a certain qualification.
- l) **Learning Programme:** It means the sequential learning activities, associated with curriculum implementation, leading to the achievement of a particular qualification or part qualification
- m) **Short Learning Programme:** It describes all short programmes, whether credits are awarded or not, and is inclusive of skills programmes, credit-bearing short courses and non-credit-bearing short courses.
- n) **Course:** A course refers to the content of the short learning programme whereby learners may progressively attain the applied knowledge as described in unit standards and/or qualifications.
- o) **Short Course:** A short course is a type of short learning programme through which a learner may or may not be awarded credits, depending on the purpose of the programme.
- p) **Curricula:** A contents of particular course of study.

- q) **Credit:** A credit is recognition that a learner has successfully completed a prior course of learning, corresponding to a qualification at a given level.
- r) **Credit-bearing short course:** It is a type of short learning programme for which credits, in relation to the course's contribution to a unit standard and/or (part) qualification, are awarded.
- s) **Non-credit-bearing short course:** It is a type of short learning programme for which no credits are awarded in relation to unit standards or (part) qualifications depending on the purpose and/or assessment of the programme.
- t) **Unit standard :** It is a description of the outcomes of learning for which the learner will receive credits.
- u) **Outcome:** It is the demonstrable and assessable end products of a learning process.
- v) **Exit-level outcome:** An exit-level outcome has the same meaning, but is expressed as the overall result of learning for a qualification.
- w) **Learner :** It refers to an individual undergoing skill development training, whether in a formal or informal setting.
- x) **Knowledge :** It means the outcome of the assimilation of information through learning. Knowledge is the body of facts, principles, theories and practices that is related to a field of work or study.
- y) **Learning Outcome:** It represent what a learner knows, understands and is able to do on completion of a learning process, and which would be expressed in terms of knowledge, skills and competence.
- z) **Competence:** It means the proven ability to use acquired knowledge, skills and personal and social abilities, in discharge of responsibility roles.
- za) **Qualification :** It means a formal outcome of an assessment and validation process which is obtained when a competent body determines that an individual has achieved learning outcomes to given standards.

(2) Eligibility to be a Private Skill Education Provider:-

The Private Skill Education Provider shall be registered / Recognised as a Private Skill Education Provider/ Training Provider/Service Provider/Skill Knowledge Provider by the appropriate State or Central Govt. / Statutory Authorities of Councils / Sector Skill Councils like NSSDC/SSCS or any Legal Body.
