Please see the following mail shared on 4th April, 2020 regarding development of research web-pages on COVID-19. MHRD has developed a webpage (https://mhrd.gov.in/covid-19_research) related to research for COVID-19 in MHRD Institutions. In this regard Council of Indian Institute of Technology developed a page on initiatives taken by IITs on COVID-19 and the link for the same is already available on above mentioned web page. On the lines of Council of Indian Institute of Technology research web page, you are requested to create similar web pages. The link of web pages may be linked with the research page on COVID-19 developed by MHRD.

This is for your information and necessary action.
